

Nuevo Vallarta

Casa Tres Soles

\$ 3,850,000 USD

Outstanding opportunity to own one of the Supreme homes in Nuevo Vallarta. A gym with a beautifully designed covered terrace, playground area and basketball court as well as enough room for football, graces the side yard. This additional space has an access directly to the water to launch Jet skis.

The exterior is as impressive as the wonderful interior. The home sits at an angle to take full advantage of the space. Since it is a corner lot there is privacy and plenty of secured parking. Double doors, marble and a chandelier lead to an exquisite interior. The interior is dramatic and awe inspiring with elegant touches throughout the home. The first level enjoys a library, service quarters, a granite-countertopped large gourmet kitchen with dining area, plus a separate dramatic dining room with a beautifully detailed ceiling, bedroom leading directly to the back yard, and a gorgeous, floating, curved stairway going to a spectacular upstairs.

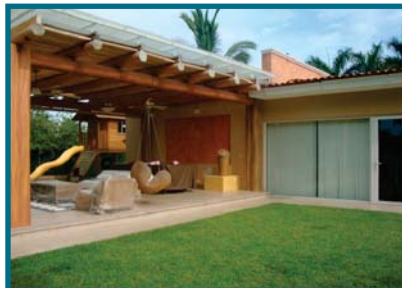

The hidden treasure this offers, you will have to see for yourself...The outside is perfect with 2 hot-tub/Spas, slide into a huge pool and a fully equipped BBQ/entertainment center.

Included is a special award for that person that wants water access...a jet boat...at its own dock A must see for your discriminating client...
